

Compact Group Requests Water For Local Needs

California Members Seek All Water Necessary For Development

Members of the California delegation of the California-Nevada Interstate Compact Commission have agreed the Lake Tahoe area should have unlimited water supplies for full development of commercial and domestic property.

At a day-long meeting in Sacramento, the members adopted a resolution, with some amendments, proposed by Col. A. M. Barton, chairman of the California delegation, and Harvey O. Banks, director of water resources.

"The economic value to the states of Nevada and California of the existing and potential recreation of the Lake Tahoe Basin far exceeds any other economy which might be created downstream with a comparable use of water," the resolution said.

Barton said complete commercial and domestic development at the lake would make little difference to downstream users. In addition he said water rights claimed downstream on the Truckee in Nevada, mainly by Nevada farmers and Pyramid Lake Indians, are not being put to full beneficial use. He said they would not be able to prove they were harmed by upstream use.

"I see no useful purpose that can be served by carrying on further compact negotiations between the two states unless the Nevada commission indicates a willingness to agree to compact terms substantially as outlined," Barton said.

The California delegation took no action on a proposal of George Devore of Nevada commission, calling for 7500-acre feet a year each for the California and Nevada sides of the lake. Members said much less than half the shoreline lies in Nevada.

California members will meet in Reno June 17 for final action on the resolution, with the full joint commission scheduled to meet June 18.

Truckee Wins In Fallon Encounter

Craig Robinson continued his outstanding pitching in Sunday's game at Fallon and the Truckee Mountaineers won 11 to 3. Robinson allowed only three hits while the Truckee sluggers banged out 16 hits during the contest.

The Mountaineers return to Fallon this Sunday to meet the strong Fallon Merchants who last Sunday defeated Yerington 16 to 1 in a second game played in that Nevada town.

The win kept Truckee at the top in the standings in the Sierra-Nevada League.

SCHOOL BOARD EYES DOLLAR HILL LAND

Although there is no immediate plan to expand the facilities of the Tahoe Truckee High School, the board of governors has asked Superintendent John S. Corbin to ascertain the cost of a site location on top of Dollar Hill at Lake Tahoe just north of the state highway.

O. W. Weeks, who is handling the Dollar Estate, advised the board they were not interested in an option on the property and the board instructed Corbin to determine the selling price asked.

"We have no intention of building in the near future," Corbin said. "This is simply a long-range plan to provide for property in event conditions demand. The board feels that a second high school in the next ten years or so might be more feasible than transporting large numbers of students to the present school."

CEMETERIES HERE ARE CLEANED BY LEGION

The Catholic cemetery is presenting an improved appearance after a small group of volunteer workers, composed of members of the American Legion and a dozen Boy Scouts spent Tuesday evening cleaning up the grounds.

Father Patrick O'Neill expressed appreciation to the energetic workers. The Truckee cemetery was previously spruced up by the Legionnaires.

GOLFERS WILL MEET WITH UTILITY BOARD

A group interested in the construction of a proposed recreational area, headed by Clarence Osburn expected to attend today's meeting May 28, of the Truckee Public Utility District to lay before the board of directors their formulated plans.

This was determined at the May 19 meeting of the group at the home of Karl Kielhofer.

Besides Osburn the delegates to today's meeting included Stan Drakulich, Mike Popovich, Charles Vind, Tom Dole, Jack Ellis, Robert Moore and Mrs. Kielhofer.

Famous Butterfly Collection May Be Returned To Park

The famous McGlashan butterfly collection, which was moved to the court house at Nevada City for safe keeping many years ago, may be returned to Donner Memorial State Park museum when that structure is completed.

Park Supervisor Jack Stowe, upon learning of the valuable collection and the fact that it was evidently not receiving proper care in its present location, took steps to have the collection brought back to Truckee.

The collection is sadly in need of restoration. It was once housed in the old Rocking Stone tower, but when that structure was permitted to decay, the collection was taken to the court house until such a time as a suitable place could be arranged in this area. It is considered to be one of the most valuable collections of its kind in existence and has attracted attention of University of California officials who once offered to restore it, an offer which was ignored.

Appropriation for the Donner museum has been approved by the state legislature under bills sponsored by former State Senator Harold T. Johnson. Park officials recently indicated that work on the structure, planned to cost upwards of \$200,000, would be done this year.

Elks Lodge Will Be Formed In District

CRYSTAL BAY — The new Tahoe Truckee Elks Lodge is well along the organization road. District Deputy Grand Exalted Ruler, Frank Luttig of Stockton and Junior past president of the California Elks Association, John Raffetto were amazed at the enthusiasm of 238 Elks, prospective Elks and their ladies that crowded into Crystal Bay Club to hear them explain about Elkdom.

Chairman Dick Brennan, of Brockway, called attention to the many residents helping to put the new lodge in effect. Henry Smith, Kings Beach motel owner was introduced as the most active recruiter.

Tom Sheehan, Harry McIntire, Roger Davin, Cal Calhoun and others helping in this drive were announced. The ladies each introduced themselves for Tony Borrelli, district organizing chairman. After the meeting new candidates were signed to the lodge and more than the minimum have applied. Elks of the area are now being asked to join the new movement and demit for charter membership.

A meeting of the committee will be held Thursday night, May 28, at 8 p.m. for the purpose of nominating meeting nights and officers. All interested should plan to attend this important meeting. All organizing meetings are held at the Tahoe City Community hall. Date for institution of the new lodge will be announced soon. The charter will close on that date.

DR. PIER TO REMAIN ON PERMANENT BASIS

Dr. Ben R. King, Jr. this week announced that Dr. Gardner Pier of San Rafael, who has been practicing general surgery here on a part-time basis, is now a full time associate and with Mrs. Pier and their 14-month old daughter, Kim, is residing at Squaw Valley where they plan a permanent home.

Dr. Pier is a graduate of the Harvard Medical School and interned at the Massachusetts General Hospital. He served for 28 months in the army as battalion surgeon with the 11th Airborne Division.

Upon returning from military service, Dr. Pier was for four years resident surgeon at the Veterans Hospital in Bronx, New York. For the past seven years he has been in general practice at San Rafael. Dr. King said plans call for enlargement of their office facilities at Gateway Park and installation of new, modern equipment.

DAUGHTER BORN

Mr. and Mrs. Paul S. Madden of Soda Springs received congratulations on the arrival of their daughter, May 23 at Tahoe Forest Hospital. Paula Joyce, as the little girl has been named, claimed 6 pounds 12 ounces as her first weight.

Coes In Orinda—

Mr. and Mrs. A. F. Coe who have visited here frequently have returned to their home at Orinda.

Travel Shows Big Gain As Truckee In Second Place

Traffic Nearly Doubles Last Years Record, Report Indicates

Travel into California over U. S. Highway 40 showed a marked increase during April as compared to April, 1958 and was nearly 6,000 cars over the March record this year.

The report from the department of agriculture shows 45,840 cars, 4,029 trucks and 642 buses were checked into the state at the local quarantine station last month compared to 24,423 cars, 2776 trucks and 486 buses during April, 1958.

This was almost double the figure of a year ago. The passenger count for last month was 115,935 while for April last year it was 69,031, the report indicates.

The Truckee station was in second place as a point of entry, exceeded only by Yermo in southern California.

The Meyers station on Highway 50, reported 10,365 cars, 293 trucks and 34 buses last month, compared to 8,537 cars, 423 trucks and 35 buses during the same month last year.

Bids Are Asked To Build New Station

Bids will be open in Sacramento on June 16 for the construction of the new, modern quarantine station to be erected on the new Highway 40 freeway just west of Truckee. Estimate on the job was \$283,600, which included \$179,000 for the building and the balance for approaches, pedestrian tunnel and other facilities.

At the same time bids will be opened for the construction of an equipment garage and maintenance station in Truckee. The cost of this project was not immediately announced.

WORK IS RESUMED ON PAVING TAHOE ROAD

The division of highways announced today that work has been resumed on the project to widen and realign State Sign Route 89 from the Donner Creek Underpass to 0.2 miles south of Squaw Valley Road. This project was suspended for the winter last November.

Five miles of this eight-mile section have been completed. This portion is from the Donner Creek Underpass to the south. The remaining three miles are complete except for the placing of surfacing material.

Fredrickson and Watson Construction Company and Ransome Company of Oakland are joint contractors on the improvement. The division of highways is represented by resident engineer J. W. Reynolds.

LYNN RUSSELL WINS GIRL SCOUT HONOR

Lynn Russell was invested and awarded her 5 point program pin at the May 19 meeting of the Senior Troop No. 6 of the Sierra Nevada Girl Scout Council. Dorette Rose and Linda Giovannoni also received their 5 point program and 5 year membership pins.

John Vick, language teacher at the local high school coached the members in the most commonly spoken words in several languages.

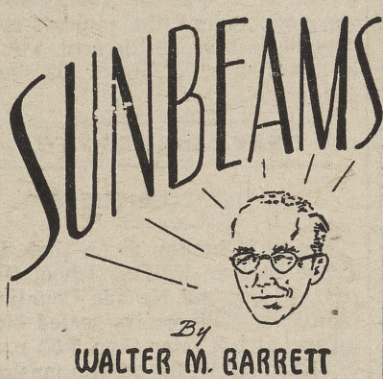

Mrs. C. Horsley, president of the council and Mrs. Frank Giovannoni leader of the group were present at the session.

CADETS TAKE HONOR AT CAPITAL DRILL

The Tahoe Truckee cadets, under the command of Sergeant First Class Dean Barr Friday won the leadership trophy, one of the most coveted of those issued, in the field day competition at Grant Union High School in North Sacramento.

There were 12 schools competing and the TnT squad entered in squad, platoon and fancy drill. Seven trophies were awarded with the San Juan High School taking four, including the sweepstakes. Hiram Johnson School won the individual drilldown and Highlands the award for timed disassembly of the rifle.

The leadership award won by the local boys is for overall performance.

The chamber of commerce and other organizations have gone about as far as they can go in the current cleanup, paintup program—the rest is up to the individual home owner and businessman. Much good has been accomplished during the past few weeks of the drive, but there is still a lot to be done. Paint is still being offered at cost. Equipment for loan is available and everything has been made as easy as possible for those desiring to follow the trend. The honor roll still has an abundance of room for more names and it is sincerely hoped that the paintup program will not die or even slow down until Truckee is able to present to the world one of the best dressed towns in the west.

We believe that if people only realized how vitally important fish and game are to the future of this area the Truckee Outdoor Sportsmen would have a much larger membership and certainly a lot more moral support. The new freeway will surely bring more people through this beautiful region, but it is going to be entirely up to the community to determine how many of them stop. Our recreational facilities, which are highlighted by fishing and hunting will provide our greatest attraction and only through organizations such as the Sportsmen can we maintain and develop these facilities. Give the matter some thought before it's too late.

Strickland Named Writers Secretary

Bill Strickland of Soda Springs, ski expert for the Sierra Sun, regarded as one of the best informed winter sports scribes in the Sierra, was chosen secretary-treasurer of the Sierra Nevada Sportswriters and Broadcasters Association at Tuesday's meeting.

Ray Gardella, circulation manager for the Nevada State Journal, was elected president to succeed Russ Sheldon of KOLO-TV, head of the association for the past two terms. The new vice president is Rollan Melton, sports editor for the Reno Evening Gazette, who had been secretary-treasurer for the past two terms.

SAN FRANCISCO MAN HELD FOR HIT-RUN

Dewey McMullen, 60, San Francisco ambulance driver, was lodged in the local jail Thursday morning in lieu of a \$210 fine imposed by Judge Fosten Wilson on hit and run charge.

The complaint was signed by Jack Adkins, Los Angeles, who told officers of the highway patrol that the McMullen car ran into the rear of a trailer he was towing a mile west of Donner Lake Lodge. McMullen, the plaintiff said, did not stop and was later apprehended in Truckee.

J. SASSARINI RITES HELD IN BAY AREA

Funeral services were held in San Francisco last Thursday for Jerry Sassarini, 78, a long time resident of Truckee who expired there following a lengthy illness. Sassarini left here several years ago after making this his home since a young man.

His son, Alvin, prominent bay area educator, was killed in an automobile accident two years ago and only a daughter, Mrs. Dorothy Crowley of San Francisco survives. Two nephews, Nicholas and August Sassarini, reside in Truckee.

Fire-Ettes to Meet

The next meeting of the Truckee Fire-ettes will be held at Cozzi's Cafe at 7 p.m. Thursday, June 4, where a dinner will be served. Mrs. Connie Kammerer will preside. A report on the dance and other business will be taken up.

New House—

Mr. and Mrs. Dave Tremayne expected to move this week into their new house at Donner Lake.

Two Killed, Others Hurt In Accidents On Highways Here

Heart Attack Blamed As Car Plunges Over Embankment

Two people were killed and several others injured as a result of automobile and truck accidents in this area during the past week. Daniel Thomas Dunaway, 68, and his wife, Clelia, 65, were fatally injured Friday morning at 8:40 o'clock when the car driven by the former plunged 150 feet off the Donner grade at Big Shot.

Passengers in the vehicle, May Dunaway, 79, and William E. Dunaway, 81, sister and brother of the driver, were injured and taken to the Tahoe Forest Hospital by Truckee ambulance.

Sergeant Frank Snyder of the California Highway Patrol, said Dunaway apparently suffered a heart attack and suddenly accelerated the car, which had been proceeding at a normal speed. The vehicle swerved, tore through the guardrail and plunged into the rocks below the grade. The road was wet but not slippery.

The bodies were taken to the Truckee Colonial Mortuary and later removed to Stockton for funeral services.

Tahoe Wreck
Mrs. Edythe Hironymous of Kings Beach was injured slightly when the car driven by her husband.

Mrs. Miess Retires From High School

Mrs. Elizabeth Stewart who taught for nine years in the Boulder, Colo., school and also at Stockton and Eureka, as well as having much experience in administrative work, has been named to succeed Mrs. Thelma Miess as dean of girls at the Tahoe Truckee High School.

Mrs. Miess, who has been with the school for the past ten years, recently announced her intention to retire. She will be greatly missed by the students and faculty.

Also employed at a recent meeting of the governing board was William L. Vassar, who will teach auto mechanics at the high school. Vassar is currently completing a tour of duty with the army in Germany. He is a graduate of San Jose State College.

Miss Barbara Weis of Carmel, a five-year teacher has been chosen as a teacher at the Tahoe Lake elementary school.

Resignations were accepted from Mrs. Edith Castle and Miss Patricia Ann Smith both of the Tahoe Lake school and C. Davis, inspector at that school.

NAPA MAN FINED FOR DRIVING WHILE DRUNK

Henley Chitwood, Napa, was fined \$250 by Judge Harry Harrison Friday on a drunk driving charge following an accident south of Tahoe City. Chitwood's car ran off the road and struck a tree. He was arrested by the California Highway Patrol.

THEFT OF PENS AT POSTOFFICE PROBED

Juveniles are believed to be responsible for the theft of fountain pens from the postoffice and Deputy Sheriff Emery Lander has been asked by Postmaster Elizabeth Bavier to assist in apprehending the culprits.

Parents are informed that the theft of government property is a serious offense and are asked to communicate this to the youngsters. The possibility that federal authority may be called to assist is not remote, Lander said.

NORTH TAHOE GROUP SEEKS USE OF SCHOOL

At their latest meeting the governing board of the Tahoe Truckee Unified School District took under advisement a request from the North Tahoe Recreation Council that the multipurpose room at Kings Beach school be used for dancing every Friday evening starting June 26 and ending August 28.

Rev. Earl Languth, executive secretary of the council, read a set of rules compiled by the steering committee, composed of three adults and three teenagers. All teenagers from 14 to 19 would be permitted at the dances.

North Tahoe Meet Will Study County Charter Proposal

KINGS BEACH — Everyone interested in the future welfare of the North Lake Tahoe area is invited to attend a meeting sponsored by the North Tahoe Community Club at Carpenters Hall Wednesday, June 3 at 7:30 p.m. where action will be taken to protest what sponsors of the meeting term inequities in local representation in county government.

Asa E. Abbott, one of the club directors and active community leader, and member of the committee to study the proposed county charter system, has pointed out the damages which might result to the community if this form of government is adopted.

Supervisor Frank Paoli has been invited to attend the meeting and answer any questions which might be asked. Both Paoli and Supervisor W. M. Anderson are said to be opposed to the charter form of government which has been recommended by the Placer County Grand Jury.

Abbott called attention to the fact that there is no one on the grand jury who lives east of Colfax, giving the North Tahoe area no representation on that group.

Harry Hooper is president of the community club and is expected to preside at the meeting.

A large turnout of residents is expected as the action contemplated will have a direct affect upon everyone in the region.

Three members of the board of supervisors have been named to study the charter proposal and will make their report within three weeks, Abbott declared. If the board approves the plan, local committees will be appointed, he said, to fight its adoption.

GRAND OFFICERS TO VISIT TRUCKEE LODGE

Truckee Chapter, No 116, Order of the Eastern Star will complete preparations at their regular stated meeting on June 2 for the official June 9 visit of Annie Picknell Mills and Henry Lee Wintz, worthy grand matron and worthy grand patron.

The local chapter, headed by Pearl Heller, worthy matron and Charles Heller, worthy patron will be host to the distinguished visitors, with five other chapters in the 13th district assisting the Truckee members.

A pot luck supper at 6:30 p.m. will precede the June 2 meeting with Ruby Faulkner and committee in charge of the affair.

SUCCESS MARKS BIG DANCE BY FIRE-ETTES

Veterans Memorial Hall was well filled Saturday when the Spring Festival Dance, sponsored by the Truckee Fire-Ettes was held. More than \$200 was turned over to the fire department as a result of the efforts of the sponsors.

The attractive decorations were the work of a group consisting of Pat Tonini, Mary Harrison, Lucille Stout, Ola Tonini, Mrs. Vahey, Mrs. August Sassarini, Mrs. Bernice Smith, Bob Tonini, Harry Stout and August Sassarini.

Arlene Smart was head of the refreshment committee and was assisted by Boo Garwood and the Fire-ettes president, Connie Kammerer. Many local women prepared the repast and much of the food was donated by local firms.

The hi-fi award was made to Miss Diane Kinyon.

STATION ROBBED

The Sierra Pacific Power Company substation was robbed of at least \$150 worth of copper wire, some from a reel and the balance in scrap sometime during last night. The thieves entered the yard by scaling the fence.

NEW SIDING

Mr. and Mrs. A. B. Polyanich, enthusiastic participants in the current chamber of commerce sponsored fix-up campaign, have gone beyond expectations and have added a complete new aluminum siding to their West River Street home.

ASKS LICENSE

SACRAMENTO — (CNS) — The state contractor's license board announced it plans to issue an electrical (general) contractor's license to Frank D. Lance and John J. Cruz of A. C. E. Electric, P. O. Box 469, Carmel, Bay, if no protests are received by June 10.

From Arizona—

Mr. and Mrs. Gordon Stewart and family have returned to Truckee after residing at Thatcher, Arizona.

Budget To Include Funds To Restore Local Landmark

Aid For Local Airport Is Asked By Truckee Representatives

At last Friday's meeting the Nevada County Board of Supervisors approved a budget of \$8800, up \$6,175 from last year's expenditures, due to the inclusion of \$5500 for the restoration of the historic Rocking Stone Tower.

The ancient landmark, located near the Veterans Memorial Building and close to the new freeway will be permanently restored and is expected to be an outstanding historical attraction.

Cecil Edmunds and Zeph Rose, officials of the Truckee Tahoe Airport District, appeared before the board Friday to determine what could be done to obtain funds for the local airport. The board recently approved an appropriation of \$29,000 for the Loma Rica airport at Nevada City, a county acquired port.

Of the \$29,000, Supervisor H. G. Loehr estimated, \$8,000 came from the eastern end of the county.

Loehr supported the contention of the visitors that one part of the county was entitled to as much as another in airport consideration but Deputy District Attorney William Cassettari ruled that because part of the local district is in Placer County, Nevada County would be unable to provide funds.

Double Taxation
Loehr explained that he was attempting to avoid double taxation for the people of his district and has demanded that an airport district be formed in the Loma Rica area. Edmunds request that county funds be provided for roads to the local airport was referred to the attorney general.

One of the principal purposes for forming a district here was to avoid being taxed for a county airport, but the board's action in accepting the Loma Rica property and allowing the \$29,000 to finance a runway, voids this purpose and until a district is formed to finance the western county facility, it appears that double taxation will result.

Other Matters
Edmunds inquired about progress on a proposed county building in Truckee and was advised that the matter was being considered in the budget.

Regarding snow removal legislation now pending in the legislature, Edmunds urged that the board support bills providing snow removal on state highways abandoned for new freeways. This would provide for the Donner Summit area as well as Truckee.

W.S.C.S. To Offer Musical Program

All women of the community are cordially invited to attend a musical program on Wednesday evening, June 3 at 8 o'clock at the Church of the Mountains given by the Women's Society of Christian Service.

Mrs. Victor McLane, vice president, is in charge of the program which promises to be a varied one. It will include: Vocal solo by Mrs. Robert Maron, accompanied by Mrs. Cecil Edmunds; violin duets by Mrs. Roy Saarini and Mrs. Ben King, accompanied by Mrs. Edmunds; organ and piano duet by Mrs. Jack Taylor and Mrs. Ivan Wilson; piano duet by Mrs. Cecil Allison and Mrs. Ivan Wilson.

The musical numbers will be followed by the installation of officers by Rev. Jack Taylor. Officers for the forthcoming year are Mrs. C. W. Scuttio, president; Mrs. Ivan Wilson, vice president; Mrs. Rufus Fields, treasurer; Mrs. Frank Quilic, recording secretary; Mrs. Jack Ellis, secretary of promotion; Mrs. Roy Slate, secretary of spiritual life; Mrs. C. Z. Smith, secretary of church activities and Mrs. M. C. King, secretary of missionary education.

GIRL SCOUTS TO HOLD COURT OF AWARDS

Girl Scout Troop No. 132 will hold a court of awards, Sunday afternoon at 2 p.m. June 14 to be held at the Roy Saarini residence, ranger station.

Second class and proficiency badges will be given girls who have qualified.

A scene from Julius Caesar starring Anne Morey as Caesar and Marcia Leamon as Calpurnia will be presented, filling the requirement of the players badge. Refreshments will be served.

LAST RITES ARE HELD FOR MORHAIN BABY

Funeral services were held at 2 p.m. Sunday at the Truckee Colonial Mortuary chapel for Mark Morhain, two-month-old son of Mr. and Mrs. James Morhain. Interment was in the Truckee cemetery.

Mark expired in San Francisco Thursday morning after surgery had been performed to correct a serious heart condition. The infant was the only child of the popular young couple.

POPULATION LOSS IN COUNTY IS REVEALED

SACRAMENTO — (CNS) — The
state assembly's election expert

said it appears "mandatory" that
Santa Clara, Orange and San Diego
counties each gain an assembly dis-
trict in 1961, San Francisco should
lose two districts and Alameda

county should lose one.
Assemblyman Charles J. Conrad
(R-Sherman Oaks), former chair-
man of the Assembly Elections and
Reapportionment Committee who
participated in the 1951 reapportion-
ment act, said other changes
obviously will have to be made.
Under Conrad's estimates, Ne-
vada county will have a population
of 17,900 on April 1, 1960, when
the census is taken. This would
entitle the county to .09 assembly
districts, a loss of .06 since the
April 1, 1950 census.

With California's congressional
seats expected to increase from
30 to 37 under the 1961 census
reapportionment, the county's con-
gressional seat entitlement would be
.04 district, a loss of .02 since
1950.

'YIELD RIGHT OF WAY' SERGEANT SUGGESTS

Be prepared to yield the right
of way at intersections for greatest
safety, suggests Sergeant F. H.
Snyder, Officer in charge of the
Truckee sector of the California
Highway Patrol.

Noting that during last year, 22
per cent of all driver violations
recorded in fatal and injury traf-
fic accidents in California involved
right of way errors, Sergeant Snyder
added.

"A review of the vehicle code
sections covering right of way
shows that the word 'yield' is the
key to their application.

"Section 551 requires the driver
intending to turn left to yield the
right of way to any vehicle ap-
proaching from the opposite di-
rection which is so close as to con-
stitute a hazard at any time during
the turning movement.

"The second part of this section
says that the driver turning left,
having so yielded and given the
proper signal, may turn left and
the drivers approaching from the
opposite direction must yield the
right of way."

Snyder said that willingness to
yield instead of take the right
of way is the mark of the safe, cour-
teous driver, and "stricter adher-
ence to this principal would re-
duce the number of injury and
fatal accidents that occur at inter-
sections.

The "Jupiter" is a liquid fuel
rocket with a velocity of Mach 15.

AND DROWNING
YOUR LAWN BY SPRINKLING
IS WASTE

STOP WATER WASTE

©AWWA

A sprinkler with an opening 3/4 inch wide, running
at full pressure will use 300 gallons of water an hour.
This will cover a lawn or garden space of 2500 sq. ft.
with 12 tons of water in ten hours, the equivalent
of one inch of rainfall. In extremely hot weather this
is enough sprinkling for one week—50 tons of water
a month. In cool weather sprinkle less often. If a
sprinkler runs over two hours every day, it is water
wasted.

WATCH WATER WASTE

**PROPERTY OWNERS IN
COUNTY PAY \$1,919,000**

SACRAMENTO — (CNS) — Property owners in Nevada county paid \$1,919,000 in county, city and district taxes during 1958-59, the state board of equalization reported.

ted. Total tax rate for the county was \$5.03, compared with the average tax rate of \$6.96, and 49th highest in the state. For the state, the 1958-59 fiscal year saw tax levies totaling \$1,807,824,000, or almost \$123 for every man, woman and child in the state. This was a boost of 10.6 per cent from the total for 1957-58 and an increase of nearly \$7 in the per capita rate.

School district taxes, at 48 per cent of the total levy, totaled \$882,134,000, an increase of 12 per cent over the previous year. The school taxes amounted to \$275 for each of the 3,140,000 pupils in average daily attendance in public schools.

County levies on tangible property totaling \$596,249,000, representing one-third of the total. They were up 10 per cent from 1957-58. Tangible property tax levies of cities other than San Francisco totaled \$246,596,000, about one-seventh of all California property taxes. City levies increased 6.6 per cent but the average city tax rate was lower by nearly four cents than in 1957-58.

MAY DATES
Local people celebrating their birth dates included Mrs. Charles Heller who observed her natal day May 22, receiving congratulations from her friends. Mrs. Zeph Rose was feted by family members on her May 20th birth date. C. W. Kydd was also a birthday celebrant last week, at a family party.

California is the leading state in production of white fir lumber.

Garlic is cultivated in almost every country of the world.

Levies of cemetery, fire, lighting, sanitary and other special-purpose districts rose \$10 million to \$102,846,000, or about 6 per cent of the total.

San Mateo county, with a tax rate of \$8.14 per \$100 assessed valuation, ranked the highest in the state with Alpine lowest at \$2.64. Three counties were above the \$8 mark, 11 above \$7, 17 had more than \$6 rates, 18 topped the \$5 mark, five were above \$4, three over \$3 and one over \$2.

**DONNER SUMMIT
NEWS**

BY DONNA POWERS

WEATHER
Weather here in the Soda Springs area has again this weekend turned to winter. The snow fall measured at the Central Sierra Snow Laboratory showed ten inches from Friday evening through Saturday. One inch of moisture was brought by the storm. Al West head of the operation at the laboratory tells us that this weather condition was caused by a slow moving pressure area moving down the Sierras.

BOND ELECTION
The voters of the Soda Springs area carried last Tuesday's voting as did the entire Tahoe Truckee School District. Twenty-nine of our registered voters took the time to go to the polls, twenty-three of whom voted in favor of the bonding, while six voted against it. Mrs. Dorothy Bacon, Mrs. Lola Schull and Mrs. Beverly Cardwell manned the voting polls at the Donner Trail School. The passing of the \$390,000 bond issue means that at the Donner Trail School beginning this summer will be the construction of a new multipurpose room, one classroom, storage facilities, and a boiler room.

WILL SUMMER HERE
Planning to again spend their summer in the Soda Springs area are Mr. and Mrs. Bert Barber of Newcastle. The couple will live in the Ledgerwood Cabin within walking distance of the Donner Summit Lodge where Barber will be employed as night bar tender. This summer the Barbers also plan to begin construction of a cabin in Soda Springs which they expect to spend three summers building.

LEGION MEETS
At a recent meeting of the Donner Summit Post No. 811 of the American Legion the election of 1960's slate of new officers was the main order of business. New officers elected at the meeting held in the Beacon Hill Lodge were Commander Edwin R. Coltrin who held this position for 1959 also. Adjutant and finance officer will be Briger T. Astad who is replacing Edwin A. Aro. Elected to a second term as vice commander is Albert Magdefrau. To replace Marion (Bill) Strickland as 2nd vice commander is George J. Gangler. Also serving second terms are Service Officer Elmo Moriano, Chaplin Bradley Board, Historian Carl Widing. Sergeant at Arms who will replace Tony Donadio is Edwin A. Aro. Serving a second term as judge advocate is Albert Barber. A date for installing these new officers has not been set yet, however it is expected to be in July.

NEW RESIDENT
All on the hill are happy to welcome Paula Madden the youngest of Mr. and Mrs. Madden of Big Bend Ranger Station. Six pounds, twelve ounces, Paula chose May 23 at 5:59 to come into the world at the Tahoe Forest Hospital. Her two older sisters, Kristin and Karen, are very anxious to welcome both Paula and their mother Zona Madden home.

DONNER TRAIL SCHOOL
Students at the Donner Trail School are all looking forward to having James Simmons back next year as teacher and principal. The primary children will expect to have Miss Power again as their teacher. The curriculum is being expanded next year for students who are interested in music.

The Tahoe Truckee School District will employ a music consultant who will spread his time among the schools in the district teaching music.

Wonderful Food at Reasonable Prices

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY

KINDERGARTEN: The entire class ate hot lunch at school last Wednesday. They enjoyed it very much.

Jimmie Baker brought a lizard to school this week and Sharon Ford found another beautiful moth for our collection.

SECOND GRADE: Second graders have been working hard on the spelling of the days of the week and months of the year. Our enrollment is building again, we have

41 now. Best spellers this week were Claudia Rhoades, Terry Higgins, Michelle De Lisle, Anna Marie Collier, Sandy Davis, Steven Silverii, Joe Reichlin, David Capel, Mary Lou Randall, Steven Silverii, David Goldsmith, Tammy Richards, Kenneth Weiler, Joe Merica, Bruce Leamon, Elizabeth Richards, Curt Mullins, Sandra Ferdinand, Curtis Melugin and Monte Neugebauer.

THIRD GRADE: Our week's penmanship champions are Kathryn Blood, Judy Ingalls, Eric Olson, Shirley Davis, John Clark, Jennifer O'Beir, Diane Daly, Sandra Bowers, Mike Kydd, Thomas Holleman, Barry Waters and Carol Brown.

THIRD AND FOURTH GRADES: Outstandings in their three week

review spelling tests were received by: Phil Ridsen, Henry Frates, David Curtis, Pam Horman, Karel Sauby, Linda Russell, Jill Wurst, Jack Melugin, Lenny Vind, Kathy Braasch, Cathy Bruley, Cheri Comola, Rhonda Manley, Sue Olano, and Don Whiteneck.

FOURTH GRADE: Bill Waters and Donna Smith's ability to put two and two together in abstract thinking make them the week's best arithmetic pupils. Also doing commendable work in arithmetic were Craig Mullis, Pat Merica, Tim McLane, and Terri Richards. Winners of the spelling contest were the members of team I: Dennis Richards, captain; Pat Merica, Donna Smith, Darlene Doolittle, Mike Grayson, Cam Hougate, Heidi Euer, Eileen Olson, Billy Hobbs, John Hiatt, Chris Foster and Paul Robinson. Based on results to date for the past six weeks the top spellers have been Gail Englehart, Beverly Holleman, Donna Smith, Darlene Doolittle, Gaece Lynn Stewart, Terri Richards, Pat Merica, Jan Williams, Dennis Richards, and Marianne Moore.

Various objects of interest were brought in by Eileen Olson, Gaece Lynne Stewart, and Darlynn Ingalls (excellent pictures of Shasta). Not to be outdone, Billy Hobbs guided Mr. Tischer on a wild adventure to Alder Creek.

FIFTH GRADE: With finals coming up athletic competition between the fifth and sixth grades came to a successful end. Final statistics show that the sixth grade captured the kickball championship while the fifth grade took the basketball and track championships. Mark Moore, Dave Douglas, Don Stowe, Doug Nelson, Larry Digesti, Chuck Trainor, Thom Buttrick, Walt Dallas, and Monty Straub and Rickey Ralphs were steady performers all year. The best all round athlete honors went to John Besio and the best sportsman went to Monty Straub.

SIXTH GRADE: "The Loon's Necklace" a motion picture was shown to our class this morning. Masks made by the British Columbia Indians were used to illustrate the Indian legend of how the loon

got his necklace.

We have been reviewing parts of speech all week and today we had a quiz on their definitions.

KINGS BEACH

FIRST GRADE: The kindergarten and first grade put on a Fashion Show for the P. T. A. The children modeled father and mother's clothes. The models were Scot Ferguson, Rhonda Stevens, Jo Burris, Lanna Hill, Toosie Speeter, Judy Hoffman, Janet Stumbo, Gary Martin, Vicki Mollhagen, Ricky Decker, Jimmy Hallahan, Patricia Sheridan, John Garrindo, Sally Templeton, Gary Price, Hazel Wainscoat, Jimmy Baxter, and Joan McDonald.

We have two new students. From Los Angeles, Taber Maxhimer and Clifford De Monty from Oakland. **SECOND GRADE:** Beverly Bell is the new second grade girl in our room. This brings our enrollment up to forty-two. For three days we had perfect attendance this week.

Carol Salas brought her pet turtle to share with us.

During social studies we studied about Hawaii.

Ellen Dennis brought a Rudyard Kipling record for us to enjoy. Madeline Mullis shared her book about horses with the class.

THIRD GRADE: We are having arithmetic contests on our review work. Any student who attains a perfect grade three days in a row is excused from further review.

Over half of the class had a perfect spelling grade for last month. This week the students made some posters on "Care of the Teeth". They selected pictures to mount and then printed original slogans on the posters.

TAHOE LAKE

SECOND GRADE: The second grade terminate their study of local plant life with a field trip of Tahoe City to collect samples of leaves, bark, cones and needles and to study first hand differences in the evergreen family.

THIRD GRADE: Our science table is growing by leaps and bounds! We have a number of projects under way. The children who have started projects are: Breezie Cross, Pam Bradley, Tommy Hoff, Tommy Easterly, Janet Jorgensen, Ann Starratt, Mike Dempsey, Dianne McBride, Denise Henrikson, Joan Cox and Eric Henrikson.

FOURTH GRADE: Tad Hall is once again our spelling-champ for the week. The following children received "A's" in the weekly 150 word spelling dictation: Chris Beavers, Jimmy Bechdolt, Jon Caulkett, Tad Hall, Dick Pomin, Paul Sullivan, Lynn Harper, Kathleen Norton, Darinda Stark and George.

ZONING OF VALLEY TO BE HEARD JUNE 12

AUBURN — The Placer County Planning Commission has agreed to hear requests of Squaw Valley residents who desire zoning of the valley to proceed immediately. They instructed planning director Stewart Bryant to place the matter on the June 12 agenda. Also placed on the agenda is a proposal of the Pacific Telephone and Telegraph Company to install temporary wire services to facilitate movement of news that will originate in the Olympic games in February 1960.

gianni Luffy. Eighteen children in the class received 100's on the weekly test.

FIFTH GRADE: Top spellers in the fifth grade last week were: Alice Calhoun, Cathv Connors, Alex Cushing, Cheryl Flory, Judy Ingram, Karen McBride, Kristen Meixner, Joan Palmer, Tom Kilbourn, Benny Keechler, Jeff Lodi, Jeff McLane, and Jake Obexer.

Boxers who participated in the boxing tournament for the Rotary Club were: Paul Sullivan, Greg Summers, Bill Cox, Tad Hall, Jeff McLane, Lance Poulsen, Danny Strague, Johnny Carnell, Stephen Roger, Tommy Barr, Tommy Kilbourn, Marty Spitsen, Jeff Lodi, Dick Nielson, Tommy Ruhkala, John Hardy, Jimmy Bechdolt, and Wayne Johnson.

U. S. TREASURY DEPARTMENT INTERNAL REVENUE SERVICE

NOTICE OF SEALED BID SALE

May 28, 1959

Pursuant to authority contained in Section 6331 of the Internal Revenue Code, the following described property has been seized for nonpayment of delinquent internal revenue taxes due from O. J. E. S. S. H. Crandall & Charles E. Cowen, Crandall Bros. Saw Mill Truckee, California.

The property will be sold in accordance with the provisions of Section 6335 of the Internal Revenue Code and the regulations thereunder, at public sale under sealed bids which will be opened on the 11th day of June, 1959, at 11:00 a.m., at Room 374, Post Office Building, Sacramento, California.

Description of property: Sawmill machinery, equipment and tools. The property is offered for sale in the aggregate only.

An inventoried list of items will be furnished by writing the undersigned at P. O. Box 846, Sacramento, California, or by calling at Room 374, Post Office Building, Sacramento, California and will be posted at the saw mill premises, Truckee, California.

Only the right, title, and interest of O. J. E. S. S. H. Crandall and Charles E. Cowen in and to the property is offered for sale.

Prospective bidders are requested to write or call in person at the office of the District Director at Room 374, Post Office Building, Sacramento, California for the purpose of securing Internal Revenue Service Form 2222, Sealed Bid For Purchase of Seized Property, and for information concerning inspection of the property. Bids must be submitted directly to B. L. Torres or L. J. Fletcher, Room 374, Post Office Building, Sacramento, California prior to the time set for opening the bids. Bids must be accompanied by the full amount of the bid if the total bid is \$200 or less. If the total bid is more than \$200, 20% of the bid or \$200, whichever is greater, must be submitted therewith.

The terms of payment of the balance of the purchase price are payment in full upon acceptance of the highest bid. All payments shall be made by cash or certified or cashier's check.

NOTE: Property may be inspected at Truckee, California, June 9, 1959 between the hours of 9:00 a.m. and 1:00 p.m.

By B. L. Torres
Revenue Officer
Joseph M. Cullen
District Director of Internal Revenue

DONNER DOINGS

BY VIRGINIA O' BEAR

Mr. and Mrs. Bill Siemson were up this weekend from Santa Rosa. They came up to see if the report was true about the fishing being so good. Seems Bill went home very pleased with his "catch" and plans to come up again next weekend. Bill is a former racer in the Northern Outboard Association and has been racing at Donner Lake for the past nine years. He will long be remembered for winning several years in succession with his Hydro, Gabby-C 411.

Mrs. Frank Stewart just returned from Los Angeles and Hollywood after spending several days there on business. She said it was so good to get back home to Donner Lake and to get out of the smog. Her daughter Susan, spent a weekend in San Francisco recently with the drama class of Tahoe Truckee High School. About twelve students from the school drove down in several cars and chaparones were Mrs. Sauby and Mrs. Rice. They attended a play at The Curran Theater, titled "Lil' Abner." Before the play, they had a dinner at Fishermans Wharf. They stayed at the Y.M.C.A. One floor was designated for boys and one for girls. Sunday, all boarded a trolley car for China Town where they purchased souvenirs to take home.

Mr. and Mrs. Tom Bonano spent several days in San Francisco last week celebrating their anniversary. Grandma and Grandpa Myers took care of little Mike so that Tom and Jerie could enjoy a ball game while away.

"Kit" Carson White has been coming up the past few weekends to sell lots for Armstrong Realty. He has a home here, too. In the summer the White family spend most of their time at Donner Lake.

Milan Wight of Concord was up this weekend and painted the outside of his cottage a pretty sandalwood color. The trim is brown and

looks very nice with the new retaining wall he had put in recently. Mr. and Mrs. Bill Grimm are renting the cottage from Wight and are very pleased with the results.

I have heard of several people having birthdays this month at Donner. Mrs. W. D. Maxey, Mrs. Dave Tremayne, Mrs. Robert Affeldt, Wayne Heitz, Joan Herron and Charles O' Bear. To those having birthdays in May that I haven't heard of, Happy Birthday !!!

Despite the snow storm last Thursday night, ladies of the Auxiliary journeyed over the summit to have their business and dinner meeting at Donner Summit Lodge. The tables were decorated with spring flowers and while a delicious chicken dinner was being served, remarks were made about the large snowflakes we could see coming down during the meal. After the dinner, the business got under way and a lot was accomplished concerning the Donner Lake Regatta which will be July 12. Barbecue tickets were distributed for the members to sell and a motion was made and carried that the Ladies Auxiliary would pay for the eleven new fire helmets that the Donner Lake Volunteer Fire Department recently obtained.

Miss Donner Lake, (Shirley Smith) was present as our guest along with Nancy Williamson and Terry Ellis, princesses. Representing part of the royal court was Anita Diaz and Terry Beck. The girls were proud to show the members the necklaces and bracelets that were engraved with their names and category of their duties which they will be performing throughout the year, gifts from the Ladies Auxiliary.

The next meeting for the Ladies Auxiliary will be scheduled for June 18 at Donner Lake Lodge. The board meeting will be held June 15 at the home of Mrs. C. Z. Smith.

At Tahoe—
Coming this week to Tahoe to occupy their summer places are Mr. and Mrs. Louis Celio of Berkeley and the A. R. Specht family of San Francisco.

NEWS NOTES FROM TAHOE

NAOMI McLANE
Box 711, Tahoe City — JU 3-3187

The thunder storm Sunday evening made a wonderful display over the Lake. In truth, I have to admit to great cowardice: I went out to look and suddenly it seemed to me that every tree in the forest was the highest tree and each one would surely bring down the next bolt. I turned tail and ran home, but still had time to note that the corridors of trees are especially beautiful in the weird light of angry skies and to wish that I were brave enough to stay out.

Mrs. Robert Wray and her daughter, Rosemary, picked up their college daughter, Joanne, in Auburn Friday and the three drove on to Modesto where they visited Dorothy's sister, Mrs. Henry Ford.

Kaytie Starratt left this week for Jackson Wyoming, where she will spend the summer as is her custom, at the family Elbo Ranch there. Red Anderson accompanied her and then he will go on to Montana to visit his sister before returning home to Tahoe City.

Arrangements are getting underway for the Red Cross Swim Program. This year the instructors cannot come up until late July which I think will please most of us mothers. Details will be given in the Sierra Sun as soon as they are available.

Friends and neighbors will miss two Tahoma residents. Simeon T. Arndt who has lived each summer at the lake for more than thirty years passed away at his Cathedral City home this last March 15, two weeks before his 89th birthday. Mr. Arndt was born in Pennsylvania but spent most of his adult years in the west. He was always a good union man and even after retirement had not lost his interest in labor affairs. He leaves his wife, Anna, and a son Victor Arndt, and a grandchild and four great grand-

TRUCKS ARE ASKED TO AVOID HAZARDS

California Highway Patrol Commissioner Bradford M. Crittenden disclosed today he has asked the California trucking industry to take action to eliminate to the extent possible the hazards to traffic resulting from whipping and swerving trailers.

In keeping with Senate Resolution No. 37, recently adopted by the California State Senate, I am requesting trucking operators to load empty trailers on the empty towing vehicle whenever possible as a safe and economical method of solving this problem," Crittenden declared. The resolution was authored by Senator Carl Christensen of Eureka.

The CHP Commissioner noted that Section 701 (g) of the California Vehicle Code prohibits whip-

children. He was buried near Palm Springs.

We do not have details but Mr. Joseph F. Kratche who built a summer home five years ago also died this March at his home in San Francisco. He is survived by his wife, Annette.

Mr. and Mrs. Joe Mara of ElCerrito have opened their lake front home and entertained visitors from the Bay area this stormy weekend.

Bill and Gretta Poulter opened their Lodge this weekend. Gretta is up to stay from their Sacramento home and Bill will be coming and going for several weeks yet.

Eugene Brunell of Tahoe City was visited by his motorcycling brother, Ken, who made a record "roaring" trip last week from San Francisco.

Back in the woods of Tahoma the Eleks, John and Marie, are readying their cabins for summer living.

Wikawamis, the summer home of Mr. and Mrs. Fredrick M. Ganz of San Francisco, was opened this last week.

Mr. and Mrs. Mac MacLean are up from Los Gatos opening their Arbutus Camp for Boys.

Bob Anacerio has been working these past several weeks down at the lovely little rock beach house at May Ah Mee getting his boats and boat supplies ready for the summer season. His wife, Pat, and the children will join him as soon as school is out.

Ray and Opal Grathner are busy with plans for their new home, a special feature of which will be a playroom for their daughter, Shirley.

After wintering in Palm Springs the R. H. Shermans have opened their Tahoma home. Mrs. Sherman pitched right in at the Tahoma-Piedmont Market to help Connie Erikson get things going there.

Bud Buckner of Folsom and J. Carpen of the Sacramento Sheriff's office had to leave their jeep at Rubicon Springs and walk out this last week. Ten foot snow drifts proved to be too great an obstacle for their plucky four wheeled mount. Meeks Bay Sheriff Val Hoken took the two men to Placerville from where they returned later with a truck to pull the jeep out. Buckner and Carpen know they were first through the jeep trail this year but were more weary than proud over their achievement.

The nursery school fashion show came far up to expectation this last Sunday afternoon. Many of the little participants turned out to be great actors and even, as one of the mothers said, "hams!" Mrs. George Day commented on the outfits as they were modeled and the children obviously took great enjoyment in their parts. Judy Cross, Sonya Kimball, Doris Jeanne Day and Joella Moe showed dresses from Cabona's Truckee. Ronald Scott, Bobbie Banta, Cliff Plew, Corky and Joory Bol, Charlene Keehn and Beccy Lynn Quarles wore sport clothes from Porters and Tim and Rudy Peterson modeled flannel suits from the same store. Steve De Walt, Michael Gill and Judy Cross showed swim suits from the Village Store and Steve and Larry Lyon showed blue jean sets from there. The nursery school mothers also made a contribution to the fashion show with clothes of their own making. Sonya Kimball, Doris Jeanne Day, Joella Moe, Charlene Keehn, Beccy Quarles, Bobbie Banta and Ronald Scott all modeled varied and delightful things. Judy Cross wore a dress from Ireland which her grandfather had given her. The lovely trellis archway and fence had been built by Cliff Plew. All the women had helped with the paper flower decorations. Tea and coffee were served to the overflow crowd by teenagers Barbara Keehn, Donna Burger and Diane Gill. These three girls also surprised the parents by modeling three white shea dresses which had been designed and made by Mrs. Jeannette Moe.

Mrs. Max Bretzfelder returned to her Tahoe Park home this Monday after a week in the Washoe County Hospital where she underwent surgery. She was tired but glad to be home.

ping and swerving by trailers and the patrol will "undertake the necessary enforcement action to satisfy the intention of the senate" and instructing field commanders to insure that appropriate enforcement action is undertaken.

By JUDGE HARRY CHARRISON

WEATHER

Friday of last weekend, sleet in the a.m., quite heavy snow later Saturday, real heavy, clearing slightly but looks like the middle of winter and feels like it.

BIG OPENING

The Monte Carlo opened up and was well filled. Paul Adamco who has been chef for many years on the lake, is officiating in the kitchen and specializing on roast prime ribs of beef and barbecued chicken as well as other fine foods.

MORE BUILDING

Now Ned Malla is building a few more units onto his resort in Kings Beach—besides a swimming pool.

SOLD

We hear that Bucky Harris has sold his part in the North Shore Club, Crystal Bay. This popular person will be missed around these parts.

COURSE OPEN

The Brockway Golf Course is now open with several players on the go Sunday afternoon and lots of sunshine.

INJURED

Dutch Connors, bar manager of the Nevada Club, had an accident on the Mt. Rose road last week, giving him a bad injury to his neck which will take a week or two to heal. The one enjoyment he is getting is that his mother came to comfort him, bless her heart!

HERE

Bruce and Thorley Miller have arrived at their home at Agate Bay for the summer from Washington.

FROSTY

The Waddells have opened up their Frosty-Shop; the day they opened it was both frosty inside and out.

WILL SPEAK

Paul (Bud) Schubert, former owner of the Here'tiz restaurant at Kings Beach, with his family will be here Friday, May 29 and he will speak at a meeting in Carpenters Hall at 8 p.m. Schubert, now living at Covina, is leaving in the near future for French West Africa where he has been assigned as a missionary.

Wednesday Afternoon at 1 p.m.—
WSSC Christian Fellowship.

The topic for this Sunday's sermon will be "Candid of Christ". To the photographer, candid photographs are not those which were taken by surprise, when the subject wasn't aware of the camera; rather there are times when the lens caught a picture which really represents the individuality, the personality of a person. There are such "candid portraits" of Christ in the Bible.

All of our newly elected stewards, trustees, and commission chairmen are reminded that the new official board meets Sunday, June 14th, right after church; at that time we will need to elect our chairman and secretary. You are also reminded of the Communion service, which will be one of particular consecration for you, on Sunday, June 7th.

Sunday, June 21st is Conference Sunday, and Rev. Langguth will not be in the pulpit. We shall begin our evening services on Sunday, July 5th, at 8:00 p.m.

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF ARCHITECTURE

NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received by the Division of Architecture, Public Works Building, 1120 "N" Street, Sacramento, California: until 2:00 p.m., Tuesday June 16, 1959 at which time they will be publicly opened and read for the construction of the EQUIPMENT GARAGE, MAINTENANCE STATION, DIVISION OF HIGHWAYS, DISTRICT III, TRUCKEE, NEVADA COUNTY, CALIFORNIA, (W.O. 4318SC), in accordance with the plans and specifications therefor and such addenda thereto as may be issued prior to bid opening date.

In general, this project comprises the construction of an Equipment Storage Building, having a floor area of 12,900 sq. ft., of one story concrete block construction, with steel and wood framing. Floor is concrete slab on grade, radiant heated, with special topping. Work includes site preparation, paving, concrete, miscellaneous and structural steel, aluminum windows, concrete block masonry, carpentry, mill work, hardware, stock metal equipment items, sheet metal work, hollow metal doors and frames, sectional steel doors, composition built-up roofing, painting, glazing, mechanical work and electrical work.

Bids will be entertained on a lump sum basis only.

In accordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the minimum rate of wages applicable to the work to be done to be as follows:

Classification	Hourly Rate
Bricklayer	\$3.90
Carpenter	3.375
Cement Finisher	3.37
Concrete Mixer Operator—Up to one yard	3.10
Concrete Mixer Operator—Over one yard	3.45
Derrick Operator	3.85
Electrician	4.06
Glazier	2.55
Hod Carrier — Brick	3.10
Iron Worker — Reinforcing Steel	3.60
Iron Worker — Structural Steel	3.85
Laborer	2.865
Operator of Power Shovel and/or other excavat. equip. with shovel-type controls (up to and includ. 1 yd.)	3.75
Operator of Power Shovel and/or other excavat. equip. with shovel-type controls (over one yard)	3.95
Painter—Brush	3.15
Plumber and Steam Fitter	3.925
Roofer	3.30
Sheet Metal Worker	3.625
Tractor Operator—Dozer, Scraper	3.55
Truck Driver—Less than 4 cu. yd. water lev. cap.	2.75
Any classification omitted herein — Not less than	2.75

Over time—Not less than one and one half times the above rates.

Sunday and Holidays — Not less than one and one half (1 1/2)

times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

Plans and specifications, and forms of proposal and Bidder's bond may be obtained by requesting them in writing from the Division of Architecture Public Works Building, Sacramento, and they may be seen at the office of the Division of Architecture, Public Works Building, Sacramento, and the Builders' Exchange Offices.

No bid will be considered unless it is made on a blank form furnished by the Division of Architecture and is made in accordance with the provisions of the proposal requirements and conditions set forth under Section 1 of the Specifications. Each bidder must be licensed and also prequalified as required by law. (See said proposal requirements and conditions.)

A deposit of \$25.00, (check made payable to the Department of Public Works) will be required to guarantee safe return of the plans and specifications within 30 days after bid opening. Failure to so return the plans will cause forfeiture of the deposit to the State.

The Department of Public Works reserves the right to reject any or all bids, and to waive any informality in any bid received.

CHURCH OF THE MOUNTAINS
(Methodist)

John Albert Taylor, Pastor
Phone Luther 7-3637
Church School: 9:45 a.m.
Morning Worship: 11:00 a.m.

The Women's Society of Christian Service will present a special musical program Wednesday evening, June 3rd, at 8:00, in the church. All are invited to attend.

This rapidly changing world with its complexities and questions is making great demands upon religion and its doctrines. The forces of faith are having to take a stern look at themselves and interpret many of their basic beliefs in order to speak with a meaningful tongue. Pastor Taylor will be discussing this reorganization during the next few Sundays in a series of sermons entitled, "A New Heaven and a New Earth." Sundays sermon, the first of the new series, is entitled, "Fractures in the Foundation."

TRUCKEE BIBLE CHURCH
(Non-denominational)

Roy S. Rhoades, Jr., Pastor
Sunday School 10:00 a.m.
Morning Worship 11:00 a.m.
Sunday Evening 7:30 p.m.

We trust that a large group will be on hand Friday evening at 8:00 o'clock at the Carpenter's Hall in Kings Beach when Paul and Betty Schubert plan to show a film of the missionary work begun in French West Africa. Many in this whole area knew the Schubert family and want to see them and hear how God has worked in their lives.

Next Lord's Day the pastor will speak about "Scissors of Faith" as exemplified in the trials of Abraham.

STATE SPECIFICATION ROCK

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Adjourned Meeting, May 15, 1959.
 Present: John T. Trauner, Clerk; Wm. J. Cassettari, Deputy District Attorney.

The meeting was called to order at 10:00 a.m. by the chairman of the Board and the following members were noted as present: Mosco F. Smart, W. W. Bishop, J. C. Coughlan and Henry G. Loehr. It was noted that Supervisor Robinson was absent.

At this time Supervisor H. G. Loehr stated that his action on the airport specifications and subsequent actions on calling for bids for surfacing of the airport runway were predicted upon the promise of the wholehearted support of the Airport Commission toward the establishment of a western Nevada County Airport District.

Dr. Elbridge Best, representing the County Conservation Council, appeared before the board and commended the board for the improvements effected recently at the County Dump. Dr. Best also discussed the possibility of having the California Highway Patrol patrol the McCourtney Road for littering.

At this time Mrs. Margery Worth appeared in the board room and rendered the report of her department to date. Mrs. Worth requested permission to attend a conference and a motion was made, duly seconded and passed unanimously, authorizing the attendance of the department at a conference in Marysville on May 19, 1959.

The Director and the board entered into a general discussion on the policies and procedures in effect in the County Welfare Department.

Mr. Clare Hughes appeared in the board room and entered into a discussion on the Rocking Stone Tower rehabilitation in Truckee. The matter was deferred until proper budget session.

At this time a letter was received from the Department of Public Health and was referred to the District Attorney for interpretation, and the matter was deferred pending further study.

At this time a motion was made, duly seconded and passed unanimously, to adjourn for lunch.

AFTERNOON SESSION:
 The board reconvened at 1:35 p.m. and it was noted that Supervisor Robinson was absent.

Mr. Leonard Prisk, President of the Grass Valley Junior Chamber of Commerce, appeared before the board and requested authority to conduct a Maid of Nevada County contest. A motion to that effect was made by Supervisor Loehr, duly seconded and passed unanimously.

At this time the board entered into budget deliberations and tentatively approved the following budgets: Budget Code 516, \$8,125.00; Budget Code 532, \$2,250.00;

NEVADA COUNTY TO RECEIVE HUGE SUM FROM SALES TAXES

Nevada county and its cities received \$45,255 for locally assessed sales and use taxes under the new accelerated payment plan of the state Board of Equalization.

The payment included an advance of \$41,100 plus \$4,155 accruing from retailers' monthly reports for February.

Totals included \$27,316 for the county, the balance going to Grass Valley and Nevada City.

Under the Board's new plan, the cities and counties received a month earlier than usual tax collections of \$28,029,400 made by the Board.

Previously, small transmittals of taxes have been made in the first two months of a quarter, based on taxes paid by retailers on a monthly basis. However, most retailers—about 80 per cent—pay taxes on a quarterly basis.

The large remittances thus were withheld until the last month of the quarter following collection, in order to determine proper division.

Budget Code 533, \$2,200.00; Budget Code 534, \$2,100.00; Budget Code 537, \$16,570.00; Budget Code 539, \$3,576.00; Budget Code 540, \$2,675.00; Budget Code 552, \$300.00; Budget Code 553, \$58,000.00; Budget Code 581, \$12,039.00; Budget Code 583, \$8,320.00; Budget Code 584, \$280.00; Budget Code 602, \$3,500.00; Budget Code 603, \$400.00; Budget Code 604, \$2,500.00; Budget Code 605, \$3,000.00; and Budget Code 606, \$500.00.

At this time the Road Commissioner appeared in the board room and rendered the monthly report of the Road Department and the report was accepted and ordered filed.

The Road Commissioner presented the board with a deed for a right-of-way from Pembroke L. Haskell, et ux, and a motion was made by Supervisor Loehr, duly seconded and passed unanimously, to accept the deed in the name of the County.

A motion was made by Supervisor Loehr, duly seconded, to accept No. 221B Bawden Extension into the County Road System and upon a roll call ballot, a unanimous vote was recorded.

Mr. George Knack appeared in the board room and presented a petition signed by the residents of Nancy Lane concerning the condition of that road in Grass Valley. A discussion ensued and the matter was finally referred to the Road Commissioner.

A motion was made by Supervisor Coughlan, duly seconded and passed unanimously, to adjourn to meet again on May 22, 1959 at 10:00 a.m. thereof.

W. W. BISHOP
 Chairman of the Board of Supervisors.

JOHN T. TRAUNER
 Clerk of the said board.

MUSIC CIRCUS WILL HAVE ROTARY NIGHT

SACRAMENTO — The Rotary Clubs of Northern California have declared the June 18th performance of La'l Abner, Rotary Night at the Music Circus.

Ed Combatalade, district governor of Rotary District 519, announced that Seldon Menefee of the Fair Oaks Rotary would be chairman and Cash Powell and Hilman Kjerlie will be co-ordinators.

The ninth season of musicals in the round opens June 15th under the big tent at 15th and H streets in Sacramento. The shows feature all professional casts plus the Music Circus Chorus and Ballet.

Blocks of tickets are available to organizations at a reduced rate

sion. Now, however, the Board has advanced the large transmittals by estimating division. They will be followed by "clean-up" payments during the last month of the quarter.

CERTIFICATE OF DOING BUSINESS UNDER FICTITIOUS NAME

KNOW ALL MEN BY THESE PRESENTS: That I WILLIAM M. ENGLEHART, JR., do hereby certify that I am transacting business in the County of Nevada, State of California, under the fictitious name and style of TRUCKEE TAHOE BOTTLING COMPANY.

That the principal place of business of the firm is situated at Truckee, County of Nevada, State of California.

That the name in full of the member of said firm and his place of residence are as follows, to-wit: William M. Englehart, Jr. P. O. Box 1268 Truckee, California.

IN WITNESS WHEREOF, I have hereunto set my hand this 8th day of May, 1959.

W. M. Englehart, Jr.
 STATE OF CALIFORNIA)
) SS.
 COUNTY OF NEVADA)

band, Charles, an employee at Bliss State Park, overturned after getting out of control on Dollar Hill Friday morning. The driver was cited by the highway patrol.

Street Accident

Two employees of the Clements Rock Products Co. were injured Thursday afternoon in an accident on the main street in Truckee. They are Robert Greenley, 30, San Leandro and Alvin Brown of Woodside, passengers in a car driven by John Houlgate of Truckee. The car had stopped at a pedestrian crossing to permit Deputy Sheriff Roy Waters to cross. A Wagner Transportation truck driven by Lloyd Rieger, Twin Falls, Idaho, following the Houlgate vehicle crashed into the rear of the car.

Waters took Greenley and Brown to the Tahoe Forest Hospital and the latter was apparently seriously hurt as he was placed in a cast for back and neck injuries.

Car Overturns

Mrs. Perina Cassinelli, 58, Reno and her 4-year-old granddaughter, Terry Lee Wilcox both suffered major injuries when the car driven by the former skidded on the snow-covered highway half a mile east of Soda Springs Saturday morning and overturned down an embankment. They were taken to the Tahoe Forest Hospital by Truckee Ambulance.

Hits Truck

Jack Long, 50, a Courtland salesman, suffered serious injuries at 7:10 a.m. Wednesday when his car crashed into a big truck operated by Joe Frank McCrory of Reno on the construction job about a mile east of Boca. Long, who was cited for failure to heed a stop sign held by a flagman, hit the truck as it was crossing the highway.

PRE-SCHOOLERS ARE URGED TO REGISTER

Pre-registration of all children who will be entering kindergarten and first grade for the first time this September in the Tahoe Truckee School District was being held this week.

Due to the influx of new students anticipated for the coming year, preference will be given to those registering at this time. This procedure will alleviate the stresses of conducting registration on the first day of school in September and enables the school to be prepared for the enrollment.

No child may be admitted to the kindergarten who is not at least four years and nine months old on September 1, 1959 or born later than December 2, 1954. Similarly, no child shall be admitted to the first grade who is not at least five years and nine months old on September 1, 1959 or born after December 2, 1953.

Parents are asked to bring some verification of birth, such as certificates of birth, baptism certificate, passport or a notarized affidavit. Schedule for the pre-school registration are as follows:

Tahoe Lake School Tuesday, May 26 at 1 p.m.; Donner Trail School Wednesday, May 27, at 10 a.m.; Kings Beach School Thursday, May 28, 1 p.m.; Truckee Elementary Friday, May 29, at 1 p.m.

Son For Poulsens

Peter Timothy was welcomed upon his arrival May 19 at Reno by his parents, Mr. and Mrs. Wayne Poulsen of Squaw Valley, five brothers and one sister.

The latest member of the family weighed less than five pounds at birth and is reported steadily progressing.

McDermont Heads Sierra Boat Racers

Alex McDermont of Donner Lake has been elected commodore of the newly formed Sierra Boat Racing Club, Ronald Fick of San Mateo, club secretary, announced.

McDermont, a student at Oregon State College, brought the coveted National Championship to Donner by winning the American Power Boat Association's national championships in the class B racing runabout. The powerful 16 HP engine that he built hit speeds up to 60 miles an hour in the exciting race held in San Francisco last September.

McDermont finished third in the races at Donner Lake last year after having engine trouble and the year before he was involved in an accident and did not finish.

This year, as usual, McDermont handles the technicalities of the Donner Lake race for the Northern California Outboard Association on which he is a member.

The Donner Lake race this year is planned for July 12 and is being sponsored by the Lake Tahoe volunteer Fire Department and Auxiliary.

McDermont has been elected racing chairman of the National Boating Association for the past two years and this year has been asked to be a member of the NBA panel of experts.

DAMAGE SUIT FILED AFTER LOCAL CRASH

A damage suit asking \$17,273 was filed in the Nevada County Superior Court by James C. McKinley against Savage Burgess.

The suit alleges that on August 30, 1958, at 7:30 p.m. as plaintiff was driving in a westerly direction on the Brockway Short Cut near Crandall's Mill, the defendant came along the same route traveling in the opposite direction. It is charged by the plaintiff that defendant drove in such a careless manner as to cause a collision between the two vehicles severely injuring McKinley.

A total of \$15,000 is being asked for general damages \$2,000 to cover lost earnings of the plaintiff, and \$273 for medical expenses.

MESSAGE FROM YOUR CONGRESSMAN

(By Congressman H. T. Johnson)

BILLS INTRODUCED AFFECTING TRAIN SERVICE

Several of us in the house and senate have introduced legislation to provide for thorough consideration and review by the interstate commerce commission of proposed railroad passenger train discontinuances.

As the law is now a railroad can serve notice it plans to abandon a particular interstate passenger train service and unless the ICC investigates within five months after receiving notice, the service can be abandoned without further ado.

The purpose of our legislation is to give the ICC more time to decide such abandonment proposals and prevent discontinuance until hearings, involving all interested parties, have been held. The legislation will still permit the railroads to discontinue passenger service which, for economic reasons, should be abandoned, but will prevent the railroad from discontinuing those trains for which there is an obvious public need.

The present abandonment procedure has had an adverse effect on many communities in my district. The Southern Pacific has taken off several passenger trains which is causing considerable inconvenience to those who depend upon such service to Sacramento, San Francisco and Los Angeles, and other areas within and outside the state. In my opinion, the public comes first, and I hope this legislation will help alleviate the problem.

Breaks Knee—

Mrs. Barney Phipps of Sacramento is reported to be teaching school seated in a wheel chair, following a fall when she sustained a broken knee. Mrs. Phipps local friends hope for her early recovery.

Licensed to Wed—

Lloyd C. Wenzel and Nellie L. Sams, both of Truckee were issued a Nevada marriage license.

Harris Legg of Mill Valley and Springs, have been named to the speed and figure skating advisory committee for the VIII Olympic Winter Games.

To further aid the paintup program, Builders Service Center has extended to June 15 the date for selling paint at cost, owned Rex Reid announced.

Innsbruck, Austria, will be the site for the 1964 Winter Olympic Games, the IOC voted this week. Tokyo was selected for the summer games that year.

Cancellation of two games has left the Tahoe-Truckee high school Wolverines looking for two more opponents for their 1959 football schedule.

SIERRA SUN ADS PAYI

REALTOR HITS STAND OF OFFICIALS FOR SNOW REMOVAL PLAN

TAHOE CITY — In an open letter to Placer County Road Commissioner, Dave Gaynor, Lake Tahoe realtor, takes exception to remarks made by the commissioner in addressing a meeting of the Roseville Chamber of Commerce suggesting a snow removal district for the eastern end of the county.

The letter also criticizes Supervisor Thomas Doyle, who is quoted as saying he did not see why the lower end of the county should pay for the removal of snow from roads which serve mountains used only during the summer.

"I sincerely hope," Gaynor's letter reads, "that you and Mr. Doyle had in mind, when you were speaking, that there is very little else the county gives the average home owner in the Tahoe area."

He pointed out as one example, the Timberland Tract, subdivided in 1933, where there are over 100 owners of property and more than 25 homes. Until now, he wrote, no one has ever resided in the tract all year; there are no children of these taxpayers using the schools; except for one day's work on one street in the tract, the county has never done anything on the roads. "I would conservatively estimate that 75 per cent of the taxpayers in the Lake Tahoe area do not vote in this county because their property at the lake is only a summer residence," he wrote.

"Tax-wise, the Lake Tahoe area is now and has always been a great money-maker for Placer County, due to the fact that there taxpayers avail themselves of little or none of the services the county offers."

"In the instance of this Timberland Tract, I think snow removal is little enough to give people who pay thousands of dollars in taxes and receive nothing in return."

NEW MINING BILL IS CITED BY RECORDER

County Recorder Theodore Kohler has called attention to Public Law 85-736 which amends the law to change the period of doing annual assessment work on unpatented mines.

The period commencing in 1957 for the performance of annual assessment work ended at 12 o'clock meridian on the first day of July 1958 and the period commencing in 1959 for the performance of such annual assessment work began 12 o'clock meridian on the first day of July 1958 and shall continue to 12 o'clock meridian on September 1, 1959.

Thereafter, the period for doing annual assessment work will run from September 1 of one year to September 1 of the succeeding year.

GIRL FOR CAMPOS

Mr. and Mrs. Miguel Campos became the parents of their third daughter, May 25 at Tahoe Forest Hospital. The names selected for the baby are Maria Elena and her arrival weight was 7 pounds, 3 ounces.

MRS. BECKMAN WILL HEAD TAHOE SQUAWS

TAHOE CITY — Mrs. Robert Beckman was elected president of the Tahoe Squaws at the last business meeting held at the home of Mrs. Beckman May 13.

Other officers chosen were Mrs. William Briner, vice president; Mrs. Guy Wilson, corresponding secretary; Mrs. Charles Russell, recording secretary; Mrs. Leland Baker, treasurer and Mrs. George Mead, auditor.

The Squaws are busy with preparations for the Hawaiian Luau planned for Friday, June 12 at Nevada Lodge, Crystal Bay. Ross Price and his combo will play from 9 p.m. to 2 a.m. and a midnight buffet will be served. Tickets are \$2.50 per person and may be obtained from any Tahoe Squaw or purchased at the door. Everyone is invited to attend in native dress, if they so desire.

LAND AT HIRSCHDALE TO BE SOLD BY STATE

The division of highways has called for sealed bids for a parcel of land located on the north side of Highway 40 between the existing highway and the proposed new freeway, approximately ¼ mile east of Hinton Road undercrossing, in Nevada County. The bids will be opened in the division's Marysville office at 10 a.m. on June 9.

This portion of land contains approximately 7.32 acres. The minimum bid, is \$184.40 (includes \$4.40 recording fee.)

This land is being sold in connection with U. S. freeway construction from Boca to Floriston.

All bids must be accompanied by cash, cashier's check or certified check payable to the "Division of Highways" in the amount of the actual bid in addition to the cost of recording. Personal checks will not be accepted.

Bids should be addressed to Division of Highways, P. O. Box 911, Marysville, California, in sealed envelope plainly marked "R/W BID FOR LAND TO BE OPENED 10 A. M. June 9 1959."

MRS. HENRY ATTENDS CIVIL DEFENSE MEET

TAHOE CITY — Mrs. Marie Henry and grandson, Gary Henry, attended the Ground Observer Corps conference in San Luis Obispo.

Since the GOC is organized and incorporated in California and the organization's members are all volunteers, they have turned their efforts to civilian defense and other voluntary services. Radar has taken over the necessity for the GOC.

The San Luis Obispo meeting was featured by talks, movies of latest military achievements and a banquet.

Mrs. Henry and Gary stopped in Sacramento on their way home for a golf game.

ON GRADUATE LIST

William George Walker, son of Vencil W. Walker of Kings Beach is among the cadets in the U. S. Coast Guard Academy at New London, Connecticut, who is scheduled to graduate on June 3.

RUBELS ARE HOSTS AT REUNION PARTY

KINGS BEACH — Mr. and Mrs. Carl Rubel of Marysville entertained recently at a reunion party at their summer home located on the Brockway golf course.

Luncheon was served and the following group who had toured Europe together several years ago recalled many interesting incidents.

Those invited were Messrs. and Mrs. John Blum, J. E. Horgan, Joe F. McDonald and Mrs. Hugh P. Herd. From California those participating were Judge and Mrs. Benjamin Regan and Mr. and Mrs. Timothy Sullivan of Colusa, Calif., Mr. and Mrs. Vincent Vandeventer of Yuba City.

FREE X-RAY OFFERED HERE, LAKE TAHOE

The Nevada and Placer counties' mobile x-ray unit to give free examinations to everyone wishing to avail themselves of this important service, will be at Tahoe City June 5 between the hours of 4 and 7 p.m. On that same date it will be in Kings Beach between 11 a.m. and 1 p.m.

On June 4, the unit will be stationed in front of the post office in Truckee from 1 to 4 p.m. and from 5 to 8 p.m.

All food handlers, school officials, bartenders and other in contact with other people are particularly urged to take the required examination.
